11am – 4pm

Bring and Buy Sale

Of textile craft materials

50-50 table or photographs for large items

Have a go at Hooking

(Join 'hookers' all over the world trying this blindfold)

Put a stitch or two into our special pictorial rug

And perhaps complete a small square (abstract design) to be
combined into a large rug - for auction on ebay

This is to raise awareness about the difficulties of blind students in
Gambia. They are no longer allowed to beg so are being taught to
make rag rugs

The rugs are sold to tourists and this helps relieve their poverty
